

The Wedding Store

AT UFTON

THE WEDDING STORE

The Wedding Store was created, with our couples in mind, to help to make dressing & accessorising your wedding totally stress-free. All of our décor has been chosen especially for Ufton Weddings and anything hired from 'The Wedding Store' will be put out for you on the morning of your wedding and put away at the end of the evening by us (no worries about having to set up or pack down on your big day). Icing on the cake, any profit from 'The Wedding Store' is donated to our onsite charity.

We have a vast range of décor to suit all styles. If you have any questions about any of our items, please don't hesitate to email us. To book any of our items for your wedding day with us, please complete our order form and return to weddings@uftoncourt.co.uk or to your coordinator, if they have been assigned.
